

SERVICE IDEAS

2019 Book

Buffet | Airpots | Servers | Tabletop

How can we be better?

In the beginning, we lit up the foodservice industry with the one and only “Push for Service” light, an ashtray that signaled to wait staff that guests needed service. Since then, we’ve expanded our product line to include buffetware, beverage servers, and accessories.

After 73 years in the business, it’s easy to become complacent with the status quo. “How can we be better?” is the question we ask daily to keep ourselves from getting too comfortable, and to keep us relevant and moving forward. This year, you’ll find some exciting new products and enhancements to existing products that demonstrate we’re doing just that.

RESPONSIVENESS

You spoke and we listened. Our Flame Free™ Thermo-Urn™ bases (pg. 10) are now 70% lighter in weight. This reduction drastically lessens the load when transporting and comes without compromising the style, strength, or quality of the original design. Now available in both a modern and regal design.

ENHANCEMENTS

We’ve also taken a closer look at how we can enhance other popular lines of product. Notable product enhancements include the addition of a push button lid on our 981 and 982 Servers (pg. 84), and improvements made to our Original Thermal Containers (pg. 12) to make them more user-friendly and universal to common brewers.

INNOVATION

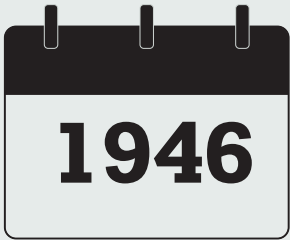

We’re always on the lookout for ways to innovate in the industry. Introducing the Cold Brew ‘N’ Serv™ cold brew system, arguably the most innovative design from Service Ideas since our Thermo-Urn™. We created this product to positively impact the way operators are currently brewing and serving cold brew coffee.

We are excited to show you an even better Service Ideas in 2019. Our commitment to asking the question “How can we be better?” will continue to be a driving force and we’re excited to share these answers with you in years to come.

THIS IS OUR *Story*

Other products, such as the Thermo-Plate™ were introduced to improve the overall dining experience.

It started with an ashtray. Art Murray, founder of Service Ideas, had an idea to implement great service in his restaurant with a “Push-for-Service” light.

The product line expanded, focusing on improving and maintaining the integrity of food and beverages.

From servers to airpots, we continue to consistently provide everyday reliable products.

Leading the industry with cutting-edge products, such as the Flame Free™ Thermo-Urn™ help solve everyday problems.

Our customization abilities have creatively expanded to make our products uniquely yours.

Innovation is inspired by you. We start with your ideas and turn them into solutions.

BUFFET

Dispensers & Displays

Set yourself up for an unforgettable display with our selection of premium buffetware. We understand that each buffet has many elements. From beverage and food dispensers to accessories, Service Ideas can fulfill all of your needs for a buffet that is as beautiful as it is delicious.

FLAME FREE™ THERMO-URN™

Engineered to achieve true vacuum insulation that provides 6+ hours of heat retention with no external heat source. The **Flame Free™ Thermo-Urn's™** economical design significantly reduces labor and supply costs and has the potential to save you hundreds of dollars a year.

Features:

- Interior splash guard
- Foam insulated lid
- Polished handles
- 18/8 stainless steel construction
- NSF listed spigot

Replacement Parts:

- Lid
- Lid knob
- Lid gasket
- Splash guard
- Handles
- Spigot
- Base
- Legs
- Wrench
- Bolt
- Gaskets

Let's Get Technical FLAME FREE™ THERMO-URN™

QUALITY LEVEL

We test each urn to ensure optimal performance. Compared to an industry standard 3-gallon urn with foam insulation, the Thermo-Urn™ outperformed the competition every time.

CONSTRUCTION

In 2010, the vacuum insulation of the Thermo-Urn™ made a huge impact on beverage service. Now available in brushed and polished stainless steel and powder coating, with redesigned legs that attach directly to the body.

PERFORMANCE

Optimal drinking temperature of coffee is 155°F to 165°F. Even after six hours, all of our Flame Free™ Thermo-Urns™ are well within or above optimal drinking temperature range, while the competitor's foam urn falls below after just one hour.

VALUE

With a Flame Free™ Thermo-Urn™, you could end up saving yourself hundreds of dollars each year and receive a return on your investment in a matter of months. See the breakdown below.

NO FUEL OR ELECTRICITY = LONG-TERM SAVINGS

	SAMPLE DATA	CALCULATE:
Average Cost Per Can of Fuel ...	\$1.49	\$1.49

What does **BPA FREE** mean?

BPA stands for *bisphenol A*, which is a chemical used in the making of plastics. Research has shown that BPA is safe at low levels, but can also be a cause for certain health effects. Using BPA-free products lessens the chance of these health effects.

How does **tritan** help?

Tritan™ prides itself on being clear, durable, safe, and stylish. It is a tough plastic that is BPA-free and shatter resistant.

CLEAR TEA DISPENSER

Our **Clear Tea Dispenser** is designed with a clear tank constructed of BPA-free Tritan™ plastic, for glass like clarity and added strength that won't warp in the dishwasher. Unlike other plastics, the container won't stain after multiple uses. The ultra-slim profile is great for showcasing multiple beverages.

Features:

- Self-storing container
- Space saver

Replacement parts:

- Lid
- Container
- Drip tray
- Base plate
- Spigot
- Brew stand

NSF stands for National Sanitation Foundation, a non-profit organization that certifies food service equipment to assure it is constructed in a way that promotes food safety. We aim to make many of our products NSF certified, so that you and your guests feel safe with the food and drinks you serve.

STEELVAC™ AIRPOTS

All of our **SteelVac™ Airpots** feature a stainless steel outer shell, adding durability for high-volume usage areas.

Replacement Parts:

- Lid (pump and lever)
- Suction pipe
- Glass liner
- Gasket
- Sight glass

LOCK 'N' CARRY AIRPOT

Our **Lock 'N' Carry Stainless-Lined Airpot** features 18/8 stainless steel double wall construction with vacuum insulation to keep contents warm for 4-6 hours. The easy-to-use lever lid is designed with an innovative locking mechanism that allows you to protect yourself and your customers when transporting full units.

Features:

- Unique locking mechanism
- Orange decaf lids available
- NSF listed

Replacement Parts:

- Lid (pump, lever, decaf)
- Suction pipe

Open or locked?

FLOW CONTROL CARAFE

The **Flow Control Carafe's** uniqueness comes from the ability to control how much liquid is dispensed. Set the gasket wide open for trained wait staff, or just slightly open for self-serve table service. Not only will it help with portion control, but also help control unnecessary spills.

Features:

- Patented lid design available in regular, decaf, and brew-thru
- NSF listed design is safe for dairy products
- Agion® coating suppresses bacteria growth

Replacement Parts:

- Lid (regular, decaf, brew-thru)

TABLETOP

Essential Table Details

Seventy years ago, Art Murray began Service Ideas with a vision to improve service. His founding item was a domed ashtray with a "Push for Service" light to signal wait staff. Since then, our tabletop solutions have expanded to sizzling plates, barware, table set-ups, and beyond.

114 Thermo-Plate® Platters

THERMO-PLATE® PLATTERS

Sixty-eight years ago, we carried out the first sizzling plate of food on our patented **Thermo-Plate® Platters**. Table service has never been the same. Now, hot foods stay steamy, and cold foods stay chilled—even through dinner conversation.

Features:

- Lightweight construction for easy transporting
- Keeps hot food hot, and cold food cold
- Made in the USA
- Insulated

DOUBLE WALL PARTY TUB

No party is complete without our **Double Wall Party Tub**. Its large 14.5-inch opening can fit almost an entire case of beer, water or soda, to keep chilled at your next event. And since it's double walled, you don't have to worry about it sweating in the heat and creating a messy puddle to clean up.

No party? No problem. Enjoy a six pack on ice with a close friend or two with our new **Personal Party Tub**. Great for a six pack of beer or a couple bottles of champagne.

- Features:
- Double wall construction
 - Condensation free exterior
 - 18/8 stainless steel resists corrosion
 - Brushed finish reduces fingerprints

CUSTOMIZATION

Take a great product and make it even better with customization options. Maybe you want to build your brand identity by adding your logo, or help customers identify the contents by etching markings. Whatever your need may be, Service Ideas will work with you to help you achieve your own custom look.

The Customization Process

PAD PRINTING & ETCHING

Look for the **CUSTOM PRINT** symbol in the product details to see if your product can be customized. Our customer service team can discuss whether pad printing or laser etching is best for your product.

3 weeks after approved artwork

CUSTOM WRAP PROGRAM

Our custom wraps work great on our Eco-Air® Airpots and GIU Thermal Containers. It's a great way to stand out from your competition, while building your brand identity. Every product requires a different dieline, and a new one can always be created for an extra charge. Look for the **CUSTOM WRAP** symbol, which indicates that a dieline has already been created for that product.

Product Selection

Quantity
MOQ = 6

Dieline
Request product dieline by contacting customer service

Camera Ready Artwork
Illustrator/EPS file at 300 DPI resolution for dieline

Approve
Approve the proof and production begins

Turnaround
Allow up to 5 weeks for final product after approved artwork

PRICING (NET PRICE)

Process	MOQ	Sample / Pre Pro	Lead Time	Set Up Fee	1 Color/1 Side	1 Color/ 2 Sides	2 Color/ 1 Side	2 Color/ 2 Sides

TERMS & CONDITIONS

TERMS

1% interest 10 days from date on invoice, net 30 days. Accounts showing balances owing past 60 days will be placed on credit hold and charged 1% interest per month. Orders may be paid by MasterCard, Visa or American Express at receipt of invoice. Credit card orders are not eligible for cash discount. Any orders paid by credit card later than 10 days from invoice date may be subject to a 3% handling fee.

FREIGHT

Orders totaling 0-\$120 net will be charged \$12.00 for shipping and handling. Orders totaling \$121-\$1,750 net will be charged 10% of merchandise total for shipping and handling. Single orders, within the continental United States, that exceed \$1,750 net will be shipped freight prepaid.

BROKEN CASES

All products are sold in standard packing cartons only as listed in the price list. Any order calling for less than standard pack will be charged \$8.00 NET PER CASE.

CREDIT

Orders placed by buyers without established credit with Service Ideas, Inc. must be accompanied by check, credit card, or credit application. Initial orders for open credit status must meet a minimum net total of \$500. Orders will ship as soon as possible after credit has been approved or regular check has cleared. Orders paid by cashier's check, MasterCard, Visa, American Express, certified check or money order will ship as soon as possible. Call 1-800-328-4493 for exact cash amounts or to request a credit application. We reserve the right to establish or refuse any business entity or individual as a customer.

SPECIAL ORDER ITEMS

A sign off will be required on our special order release form stating that the order will not be canceled or returned. Minimum order quantities are required.

PRICES

All prices in US dollars (\$) and subject to change without notice.

LOST AND DAMAGED SHIPMENTS

Risk of loss is buyer's upon delivery to carrier; therefore, whenever the seller shall deliver or cause to be delivered to a common carrier, any goods ordered by buyer, whether the particular common carrier shall have been designated in the shipping or routing instruction of buyer or not, seller shall not be responsible for any delays or damages in shipment and the common carrier to which the seller shall deliver goods shipped to buyer is hereby declared to be the agent of the buyer. All shortages or damages must be reported within 48 hours to the carrier and Service Ideas. Secure an inspection report from the carrier. Concealed damage not reported to Service Ideas within 30 days of delivery will not be eligible for credit.

RETURNS

By definition, returns are any merchandise sold by Service Ideas, Inc. that is to be returned to the factory. Returns within 6 months of invoice date are NOT SUBJECT TO A RESTOCKING CHARGE. Returns received 6-12 months of invoice date or related to overstock are subject to restocking charges, not to exceed 20%. No returns will be accepted after 12 months. All returns to be restocked must be complete case packs, received in the unopened original cartons and merchandise must be current, standard catalog items. We are unable to accept returns of obsolete, special order, custom or crested products. No merchandise will be accepted for return without prior authorization. To receive authorizations please call 1-800-328-4493 and provide the following information. All returns must be freight prepaid.

- Company name, address, phone number
- Exact carton count
- Original invoice number and purchase order number
- Reasons for return
- Exact quantity and model numbers

CARE & HANDLING

HANDLING

For optimal retention, remove or flip open lid and preheat server with warm water. Empty contents and refill with hot beverage. Secure lid closure. Varying factors that effect temperature are content levels, topping off, and open lids. Servers should not be heated in a microwave, contain boiling water or liquids at temperatures above 200 degrees.

CLEANING

For optimal care, servers should be hand washed with mild detergents.

Exterior: Wipe with a soft, damp cloth, followed with a dry cloth.

Interior: Clean with luke warm water and mild detergent and rinse with hot water. Never submerge in water.

Never clean *plastic servers* with vinegar as it will be absorbed by the material and leave a vinegar taste.

For *glass lined servers*, to avoid damage never clean a with a brush, and avoid chemical detergents.

For *push button lids*, depress button and flush water through. Push button lids are not dishwasher safe.

For *stainless steel products listed dishwasher safe*, use only high-temp dishwashers that don't use chemicals that will erode the stainless steel.

STORAGE

All products are best stored in a cool, dry place away from heat sources.

FREQUENTLY ASKED QUESTIONS

DO YOU SELL REPLACEMENT PARTS?

Yes. 95% of our products have replacement parts available.

Check online at www.serviceideas.com.

WHAT'S YOUR RETURN POLICY?

Returns within 6 months are not subject to restocking charges.

Anything after 6 months will be subject to restocking charges not to exceed 20%. No merchandise that is discontinued will be accepted for return without prior authorization. Please call 1-800-328-4493 to receive your RMA #.
